Tethering

NEW

90-Tooth Quick Release Tether Ready Ratchet

90T

• Two-step locking quick release design makes unintentional socket drops virtually impossible

• Lightweight design allows ratchet to be supported with most user wrist tether connection points to provide better access and control when ratchet is used at a height.

• 90° Teeth deliver a 4° swing for easy access

• Precision engineered high strength pawl for increased durability

• High Visible On/Off markings on the head
